Form GRAD4

The Department of Civil & Mineral Engineering allows students to take individualized special studies courses for credit in our graduate programs provided that the course is approved by the Graduate Coordinator. A detailed course description is required, as well as the name of the course supervisor and information on how it fits into the students program.

This form should be completed by the courses instructor and returned to the Office of Student Services (GB105) for processing well in advance of the beginning of the term in which it will be taken.

NOTE: This course is not intended to replace studies which are an integral part of the student's research program.
