

**MEng Proposed Program of Study Form**

---

Name: \_\_\_\_\_ Student ID: \_\_\_\_\_

By applying to enroll in the following courses you assume responsibility for ensuring that you meet all prerequisite requirements.

	Course Code	Course Title	Session	Remarks
1				
2				
3				
4				
5				
6				
7				
8				
9				
10				
11				
12				

I plan to complete a program emphasis. See page 2.

I am proposing a MEng project. See page 3.

Student Signature: \_\_\_\_\_

Date: \_\_\_\_\_

Assoc. Chair Signature: \_\_\_\_\_

Date: \_\_\_\_\_

If choosing an emphasis, pick from the following two boxes. If choosing one from box **A**, please provide your coordinators name and signature.

**A.** Specialization (Optional – your MEng program must include all mandatory courses from your specialization area if you choose to specialize. If you choose to specialize, the specialization coordinator must sign this area.)

- Building Science
- Concrete
- Construction Management
- Geomechanics
- Environmental Engineering
- Sustainable Urban Systems
- Structural Engineering
- Transportation Engineering and Planning

Coordinator Name: \_\_\_\_\_ Date: \_\_\_\_\_

Signature: \_\_\_\_\_

- B.**
- Advanced Water Technologies & Process Design
  - Analytics
  - Engineering and Globalization (Global)
  - Entrepreneurship, Leadership, Innovation and Technology in Engineering (ELITE)
  - Forensic Engineering

**MEng Project Proposal**

---

Name: \_\_\_\_\_ Student ID: \_\_\_\_\_

Project Supervisor Name: \_\_\_\_\_

- Project Weight:       One Course Equivalent (4 months normal length)  
                              Two Course Equivalent (8 months normal length)

- Start Date:       September      Year \_\_\_\_\_  
                          January      \_\_\_\_\_  
                          May

- End Date:       December      Year \_\_\_\_\_  
                          April      \_\_\_\_\_  
                          August
