Job Posting – Course Instructor Position  
Winter Term 2020 (January - April)

The Civil & Mineral Engineering Department seeks one Course Instructor for the following course:

CIV235H1S Civil Engineering Graphics
Fluency in graphical communication skills as part of the civil engineering design process is emphasized. Drawings are prepared making use of freehand sketching, drafting equipment and commercially available computer drafting programs. Topics in descriptive geometry are covered to develop spatial visualization skills. Drawing procedures and standards relevant to Civil Engineering projects to be covered include layout and development of multiple orthographic views, sectional views, dimensioning, and pictorial views. Class projects, assignments, and examples demonstrate how graphical skills fit into the overall design process.

Qualifications
A postgraduate degree in engineering is required. Previous teaching experience preferred.

Duties
• Developing syllabus
• Delivering three hours of lectures per week for the Winter 2020 term
• Providing scheduled office hours for academic counselling of students
• Setting assignments, midterms, and final exams
• Supervising teaching assistants
• Attending tutorials
• Grading final examination papers

Estimate of TA Support: 300 hours
Estimated Course Enrolment: 90 students
Rate of Pay: $8,219 (includes vacation pay)

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

Application Process
