Civil & Mineral Engineering
UNIVERSITY OF TORONTO

MEng Proposed Program of Study Form

MEng students must complete ten half-credit equivalent (0.5 FCE) graduate-level courses (500 level or 1000 level). SIX courses must start with the course code CIV (APS1001H counts toward this requirement). Four courses may be taken outside of CIVMIN. This includes APS, ENV, MIE, CHE, JEI, etc. Of those 4 courses outside of CIVMIN, a max of two courses may be from outside U of T.

Name: _____   Student ID: _____

By applying to enroll in the following courses you assume responsibility for ensuring that you meet all prerequisite requirements.

	Course Code	Course Title	Session	Emphasis
1				
2				
3				
4				
5				
6				
7				
8				
9				
10				
11				
12				

Students may choose to pursue an optional technical emphasis. In order to claim the emphasis, review the mandatory courses from the list of course options in a particular area of technical emphasis. On this form, please use the drop-down menu to indicate which courses satisfy the technical emphasis. Students may pursue two emphases, but are only allowed one overlapping course. Please choose "overlap course" from the dropdown menu. Emphases will appear on the student's transcript upon degree conferral if the course requirements of the emphasis are met.

If you would like to suggest that a course be counted toward the technical emphasis and it is not currently in the list of pre-approved courses, please contact the Graduate Programs Coordinator.

If you choose not to pursue an emphasis, please leave the emphasis column blank.
