

# Civil & Mineral Engineering UNIVERSITY OF TORONTO

## **Emergency Job Posting – Course Instructor Position Winter Term 2023 (January - April)**

The Civil & Mineral Engineering Department at the University of Toronto seeks at least one Course Instructor for the following course:

### **MIN467H1S Mineral Project Design II**

Mineral Project Design is a two-part capstone course that draws on all course materials developed in the first three years of the Mineral Engineering Curriculum. Part II (S) focuses on the design of a mining or civil rock engineering project. Students will be grouped into teams and provided with one or more data sets and a design problem to solve. The end product is a major engineering design report and oral presentation (including several interim reports and presentations). Technical aspects will serve to examine a "cradle to grave" view of a project, from initial planning through to final closure and site remediation.

### **Qualifications**

A postgraduate degree in civil/mineral/mining engineering is required. Previous teaching experience preferred.

### **Relevant Criterion:**

Past teaching experience is the more relevant criterion than the need to acquire experience in respect of this posted position.

### **Duties**

- Developing syllabus
- Delivering three hours of lectures per week for the Winter 2023 term
- Providing scheduled office hours for academic counselling of students
- Setting assignments, midterms, and final exams
- Supervising teaching assistants
- Grading

**Estimate of TA Support:** 50 hours

**Estimated Course Enrolment:** 15 students

**Rate of Pay: \$8,142.51** (excludes vacation pay)

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.

### **Application Process**

Applicants should submit a cover letter, C.V. (including previous teaching evaluations (if applicable)), by **November 23, 2022**. Applications should be sent to:

**Professor Brent Sleep**  
**Chair, Department of Civil & Mineral Engineering**  
**University of Toronto**  
35 St. George St., Toronto, Ontario M5S 1A4  
E-Mail: [chair.civmin@utoronto.ca](mailto:chair.civmin@utoronto.ca)

The University strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission. The University is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and

provide accommodations as required for applicants with disabilities. If you require any accommodation at any point during the application and hiring process, please contact [uoft.careers@utoronto.ca](mailto:uoft.careers@utoronto.ca). During employment, to request accommodation from the University, contact the supervisor or department chair and/or Health & Wellbeing Programs & Services at [hwb@utoronto.ca](mailto:hwb@utoronto.ca). For more information about accommodations at U of T, please visit our Accommodation webpage.

The hiring criteria for Course Instructors positions are academic qualifications, the need to acquire experience, previous teaching experience and previous satisfactory employment under the provision of this Collective Agreement.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons/persons of colour, women, Indigenous/Aboriginal People of North America, persons with disabilities, LGBTQ2S+ persons, and others who may contribute to the further diversification of ideas.

Candidates who are members of Indigenous, Black, racialized and LGBTQ2S+ communities, persons with disabilities, and other equity seeking groups are encouraged to apply, and their lived experience shall be taken into consideration as applicable to the position.

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement.

The position posted above is tentative, pending final course determinations and enrolments.

**Positions posted here are open to Graduate Students in the School of Graduate Studies, Postdoctoral Fellows and Undergraduate Students in the University of Toronto.**
